Oostwegel Collection & Sint Martinus

Het verhaal

Wijngaard Sint Martinus maakt exclusief voor de Oostwegel Collection verschillende wijnen. De druiven die hiervoor gebruikt worden, zijn momenteel gedeeltelijk en in de toekomst volledig afkomstig van de wijngaard bij Château Sint Gerlach: Het WJland. De smaakvolle Limburgse wijnen zijn in samenwerking met de sommeliers, chefs en vrienden van de Oostwegel Collection geassembleerd. Dit gebeurde uiteraard onder toezien oog van oenoloog Stan Beurskens, eigenaar van Sint Martinus in Vijlen.

The story

Vineyard Sint Martinus produces various wines exclusively for the Oostwegel Collection. The grapes used for these, are currently partially and in the future completely originating from the vineyard at Château Sint Gerlach: The WJland. The tasteful Limburg wines have been assembled in collaboration with the sommeliers, chefs and friends of the Oostwegel Collection. This was of course done under the supervision of oenologist Stan Beurskens, owner of Sint Martinus in Vijlen.

Mousserend

De Mosaïc wijnen danken hun naam aan een combinatie van elementen. Echter, ligt de focus hierbij toch op 'het ei' bij Château Sint Gerlach. 3 & 3,5 zijn dan weer het gevolg van een inside joke tijdens de degustatie: 3,5 is namelijk een assemblage van wijn 3 en 4 die de sommeliers toen hebben geproefd. Van beide versies zijn er slechts 800 flessen beschikbaar.

Sparkling

The Mosaïc wines owe their name to a combination of elements, but the focus here is on 'the egg' at Château Sint Gerlach. 3 & 3,5 are the result of an inside joke during the tasting: 3,5 is an assembly of wines 3 and 4 that the sommeliers tasted at the time. Of both wines only 800 bottles are available.

Stille Wijnen

De Oostwegel Collectie heeft voor u ook twee prachtige stille cuvées gemaakt, namelijk Judith (Wit) en Camille (Rood). Beide wijnen zijn een hommage aan de ouders van de huidige eigenaar van de Oostwegel Collection. De prachtige etiketten van deze hommages zijn ontworpen door Françoise Oostwegel, de dochter van Judith en Camille.

Still Wines

The Oostwegel Collection has also created two beautiful still cuvées, named Judith (White) and Camille (Red). Both wines are an homage to the parents of the current owner of the Oostwegel Collection. The beautiful labels of these tributes were designed by Françoise Oostwegel, the daughter of Judith and Camille.
