

Dear guest,

Despite the loosening of the Covid measures, there are still some measures you need to consider when staying in our hotel or restaurant.

**ENTRY PASS**

When you arrive at the hotel, at one of our restaurants or spa we will ask you for an entry pass. This can be done through the CoronaCheck-app or through the QR-code on an official Corona paper entry pass.

**HEALTH CHECK**

During this time, we can only honour hotel and restaurant reservations for guests that are not displaying any Coronavirus symptoms. Before visiting, we ask you to consider the following:

- Have you experienced one or more of the following symptoms, in the past 24 hours?

Cough | Runny nose | Fever higher than 38°C | Shortness of breath

- Is there anyone in your household suffering from a fever and/or shortness of breath?
- Have you been tested and diagnosed with Coronavirus in the past seven days?
- Has someone in your household been tested and diagnosed with Coronavirus who you have had contact with, while suffering symptoms, in the past 14 days?
- Are you self-isolating because you have had direct contact with someone who has been diagnosed with Coronavirus?

If the answer to any of the above questions is yes, please contact us regarding your reservation.

We thank you for your kind cooperation and understanding and very much look forward to welcoming you to Château St. Gerlach.

Warmest wishes from South-Limburg,

Team Château St. Gerlach

Please note: The above measures are all subject to change at the discretion of the Dutch Government.
